# The Coaching Staff

# William "Speedy" Morris

**I**t all started in Catholic Youth Organization (CYO) ball 36 years ago and it has continued ever since, and wherever William "Speedy"

in a post-season tournament.

The 1991-92 season saw Morris lead the Explorers to that sixth straight post-season appearance and their fourth Metro Atlantic Athletic Conference tournament title and NCAA Tournament berth in five years. La Salle's exciting last-second victory over Manhattan in the MAAC final and its heart-breaking two-point loss to Seton Hall in the NCAA Tournament were two of college basketball's most-watched games during March Madness.

In 1989-90, Morris guided the Explorers to a 30-2 record, the most victories in Division I, and the most by any La Salle team in history and a school record of 22 straight wins. The Explorers captured their third straight MAAC regular-season championship (16-0) and the MAAC Tournament crown for the third consecutive NCAA berth. And when La Salle beat Southern Mississippi in Hartford, it was the Explorers' first NCAA victory since 1983.

Morris has coached, he has been a winner.

His career coaching record in high school and college competition stands at 614-232 (.726), including men's college basketball (183-119 at La Salle), women's college basketball (43-17 as La Salle's coach) and boy's high school (347-82 at Philadelphia Roman Catholic and 41-14 at Penn Charter).

Speedy's winning percentage in his 10 years as La Salle's men's coach (.606) rates him among the top 75 on the winningest active Division I coaches list (by percentage and with a minimum of five years at a Division I school).

The 1990 NCAA Tournament victory over Southern Mississippi in Hartford on March 15 was Speedy's 100th as La Salle's men's coach. Only three other Division I coaches have won that many games in their first four seasons — current Syracuse coach Jim Boeheim, North Carolina State's legendary coach of the late '40s and early '50s, Everett Case, and, most recently, Roy Williams of Kansas.

Coaching success has been the story wherever Morris has ventured. When his 1993-94 team suffered through an 11-16 record, it was only the first time in his 26 years that one of his teams finished below the .500 mark.

The 1992-93 season produced a 14-13 record, and when the Explorers missed out on a bid to the National Invitation Tournament, it marked the end of a six-year streak in which La Salle had appeared

His 1987-88 team compiled a 24-10 record, went 14-0 in the Metro Atlantic Athletic Conference and swept through the MAAC Tournament to earn the conference's NCAA Tournament berth. In 1989, Morris moved things up a notch with a 26-6 record, another MAAC regular-season championship (13-1) and the MAAC Tournament crown again.

Morris had taken his first Explorer team — 1986-87 — to a 20-13 record and into the National Invitation Tournament, where it defeated Villanova, Niagara, Illinois State and Arkansas-Little Rock before bowing to Southern Mississippi in the championship game.

For the next three years, Morris' Explorers won their way into the NCAA Tournament, then earned a berth in the 1990-91 NIT, losing at Massachusetts, 93-90, on a last-second three-point shot.

Morris won or shared the MAAC Coach of the Year honors twice, gaining the solo honor in 1988 and sharing it with

*The Morris family (from left to right): Keith, Mimi, Brian, Margaret Mary, Chris and Speedy.*

St. Peter's Ted Fiore in 1989. He was also named the 1989 and 1990 District 3 Coach of the Year by the National Association of Basketball Coaches (NABC) and was voted the Eastern Coach of the Year in 1990. He was named the Philadelphia Big Five Coach of the Year three times — in 1989, 1990 and 1992 — by the Philadelphia B'nai B'rith.

La Salle's victory over host Baylor in the Dr Pepper Classic championship game on Dec. 10, 1994 was Speedy's 600th career win, embracing high school, La Salle women's and La Salle men's careers.

Morris first gained recognition as a basketball coach at Roman Catholic High School in Philadelphia. In 14 seasons at Roman, Morris registered 347 victories and only 82 losses.

Roman won one Philadelphia City Championship, six Philadelphia Catholic League titles, two National Catholic Tournament championships and four 30-win seasons.

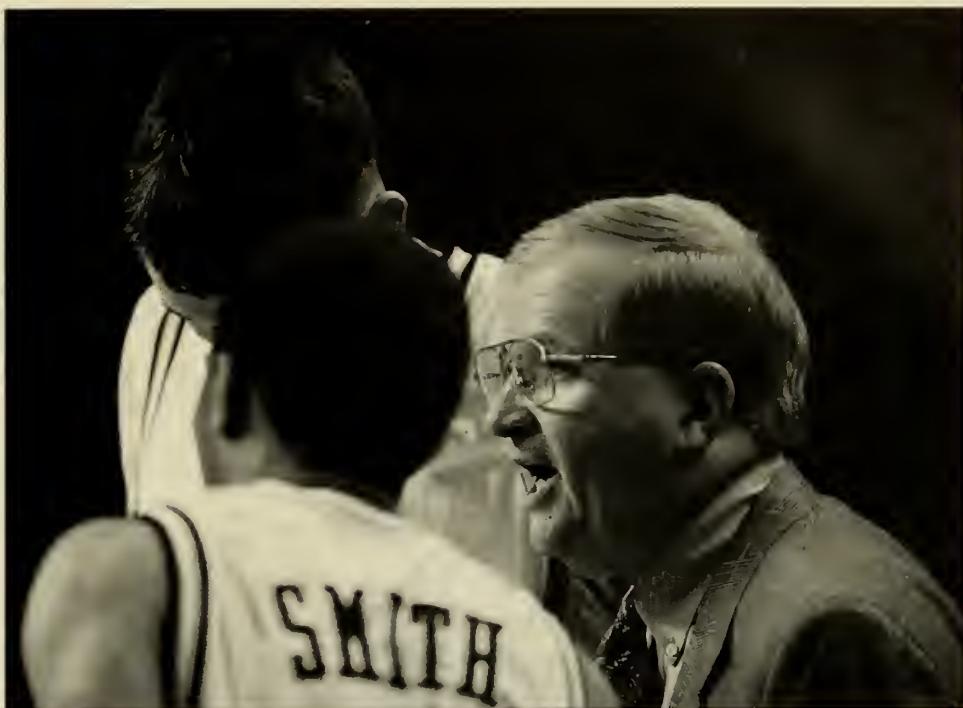

Morris then spent two years as head coach at Philadelphia's William Penn Charter School where he posted a 41-14 record. His 1984 team won the Philadelphia Interacademic League championship, the school's first title in 12 seasons.

Morris came to La Salle University for the 1984-85 season when he replaced Kevin Gallagher as head coach of the Explorers' women's program, becoming the first full-time appointment to that position. Morris' Explorer women's teams won 22 games in 1984-85 and 21 games in 1985-86. The 1985 team won the MAAC title and advanced to the NCAA Tournament.

Following that season, Morris was named men's basketball coach, becoming the first Division I coach to make such a switch.

In September, 1995, Speedy was inducted into the Pennsylvania Sports Hall of Fame.

A native of Philadelphia, Morris and his wife, Mimi, live in the Roxborough section with their four children — Keith, a former guard on the La Salle team, Brian, a former team manager, and Margaret Mary, all La Salle graduates, and Christopher, a junior at Archbishop Carroll High in suburban Philadelphia.

Speedy Morris in action.

To the left, Speedy Morris and his top assistant Joe Mihalich discuss strategy during a game. Morris has won more games than any other coach in La Salle's storied history. In his ten years at the helm of the Explorers, his teams have averaged more than 18 wins a season. During his 30-year coaching career, Morris has averaged over 20 victories a season. He has directed the La Salle men's team to five 20-plus victory seasons. He also piloted the Explorers to a school record 30 triumphs during the 1989-90 season.

# Joe Mihalich

Wherever he has been, Joe Mihalich has been synonymous with winning basketball. A La Salle University assistant coach since July, 1981, Mihalich, 40, has been given freedom to coach and teach. And he has shown he can do both.

In his 16 years as a La Salle coach, the Explorers have been to five NCAA Tournaments and three National Invitation Tournaments. In that span, La Salle has averaged 20 victories per season. On January 4, 1992, Mihalich, in the absence of head coach Speedy Morris, was

head coach for a game against Iona and directed La Salle to a 120-88 victory.

Mihalich's La Salle duties have included floor practice, game coaching, recruitment of high school players, academic monitoring of players, opponents' scouting and film study. In his time as an Explorers' assistant, Mihalich has been heavily involved in the recruitment of seven of the nine all-time leading school scorers, including 1990 National Player of the Year Lionel Simmons. Four of those players — Simmons, Doug Overton, Randy Woods and Tim Legler — are playing in the NBA.

Mihalich's contributions to the La Salle program are especially appreciated by coach Morris.

"There is nothing that Joe Mihalich is asked to do that he does not do with much pride and dedication," Morris said. "I have never met a more dedicated or loyal human being. He is the best."

A 1978 La Salle graduate with a Bachelor of Arts in Mathematics and Education, Mihalich earned his Masters in Athletic

Administration from Temple University.

A co-captain of the 1978 La Salle basketball team under coach Paul Westhead, Mihalich was a four-time letter winner. He began his coaching career the next season under the legendary high school coach, Morgan Wootten at DeMatha High School in Hyattsville, Md. Mihalich was the assistant varsity coach for three years and head junior varsity coach for two years.

While the DeMatha varsity was going 82-8, Mihalich's JV team was a tidy 34-5. Wootten had to miss the 1981 Washington, D.C., title game and Mihalich coached the Stags to a victory over previously-unbeaten Dunbar High.

Mihalich has been an adjunct professor in La Salle's Department of Mathematics and is a lecturer in the university's prestigious Freshman Year Experience Program.

Joe and his wife, Mary, live in Philadelphia. They have three sons — Joe, 9, and twins Matt and Tony, 8.

# Kenny Blakeney

**K**enny Blakeney, 24, joined Speedy Morris' coaching staff after a year at James Madison under "Lefty" Driesell, following a playing career at Duke that spanned five seasons under Mike Krzyzewski.

Kenny was a redshirt member of the Blue Devils' 1990-91 NCAA championship team and a varsity performer on the 1991-

92 title team, appearing in 29 games. As a sophomore in 1992-93, Blakeney appeared in 30 games, and as captain of the 1994-95 team, played in 27 games, averaging 5.4 points in 27 games.

He is a native of Washington, D.C., and played under the legendary Morgan Wootten at DeMatha High. At Duke, Kenny was extremely active in community and campus programs and plans to continue those activities while coaching at La Salle.

His volunteer activities at Duke included five years with the Children's Miracle Network, the Duke Mentor Program and service at Martha's Kitchen for the Homeless. Kenny also hosted and was the main writer for a TV show, and has appeared at numerous camps and clinics.

He is single and lives in Philadelphia.

*Kenny Blakeney played collegiately at Duke.*

# Rich Prendergast

**A**n enthusiastic supporter of La Salle basketball, Prendergast is in his 13th season as a volunteer coach to Speedy Morris' teams. Prendergast has coached in the Philadelphia CYO and in the Catholic League high school system, where he won 670 games, compiling a percentage of .817.

In 1986, Prendergast was honored with the Mary S. O'Connor Loyalty Award for

dedication and service to the La Salle women's intercollegiate athletic programs.

Prendergast, a 1960 La Salle graduate, lives in Stone Harbor, New Jersey. Rich's family consists of wife Jane, and four

daughters, Lori, who lives in Nashville, Tennessee; Maria and Catharine, who are La Salle graduates, and the youngest, Colleen, a senior at Notre Dame High in Lawrenceville, New Jersey.

## WHY WE'RE THE EXPLORERS

La Salle University's nickname — The Explorers — was erroneously bestowed by a sports writer covering a La Salle football game (La Salle played intercollegiate football from 1931-41) on campus sometime during the '30s. He thought that the school was named after the famed French explorer of North America.

In reality, the school was named after St. John Baptist de La Salle, the French educator and founder of the Christian Brothers. Despite the error, the nickname has remained.

**1995-96:** The "game of his life" is the only way to describe Fromal's effort in La Salle's 76-70 upset of George Washington on Feb. 18, 1996, just when the Colonials were breaking into the Top 25. Starting in place of the flu-ridden Shawn Smith, Steve played the full 40 minutes and scored 17 points, (including 4-for-5 on threes), dealt nine assists, and committed only one turnover from his point-guard position. His 17 points eclipsed his career total of 16 until that game...In the regular-season finale, Steve played the full 45 minutes in a 60-57 overtime loss at Fordham, again replacing Shawn Smith.

With 7.3 seconds remaining, Kareem Townes stole a pass in Wright State's frontcourt, got the ball to Everett Catlin who turned and saw Gizzi streaking upcourt all alone. Catlin's long pass and Gizzi's lay-up gave La Salle one of its most exciting victories of the season...Mike's top season performances included 12 points in 21 minutes against

San Francisco in the MetLife title game (Dec. 3, 1994) and six rebounds in 22 minutes the following week in the championship victory over host Baylor in the Dr Pepper Classic.

# Explorers Make A-10 Debut

The tone for the 1995-96 La Salle University men's basketball team was set in its first three games, in Puerto Rico, as part of the San Juan Shootout.

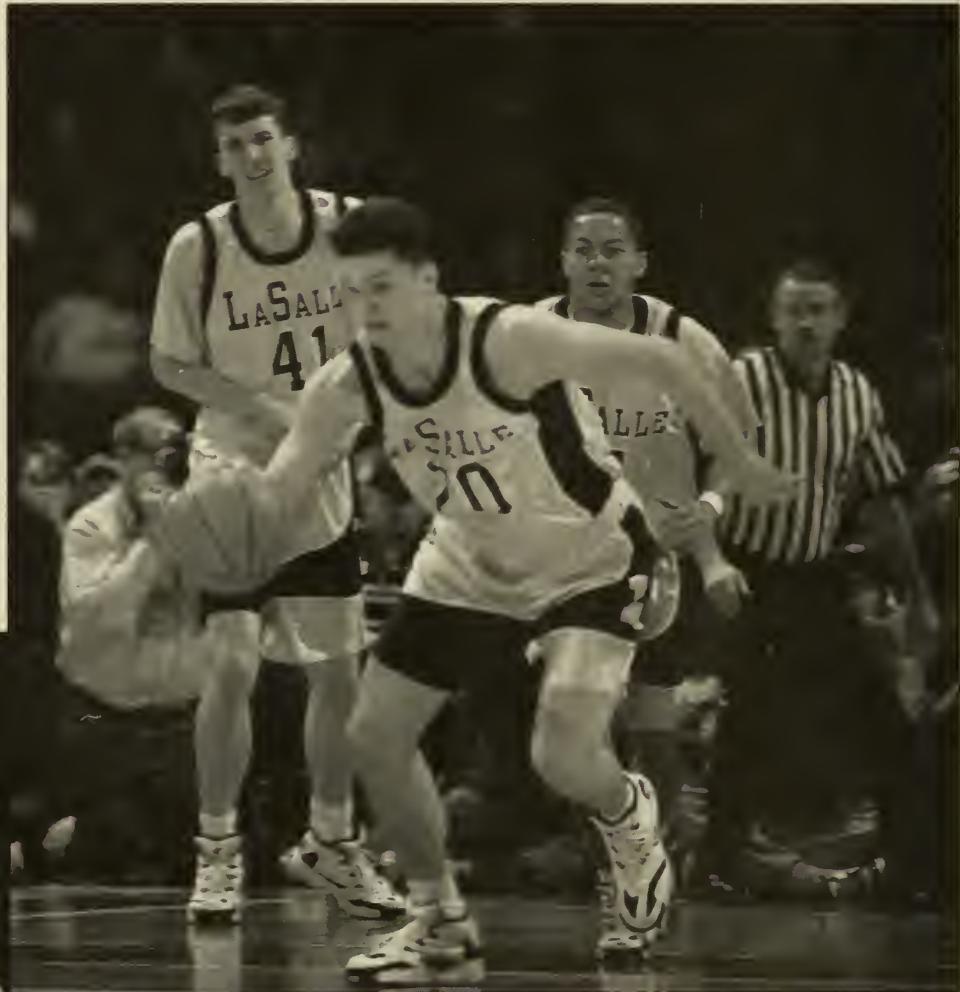

Auburn, Illinois State and Western Kentucky ran up double-figure leads but the Explorers fought back to respectability, only to falter toward the end.

Probably the biggest story of all was the Explorers' debut in the Atlantic 10 Conference. Overall, La Salle teams were good enough to finish sixth in the 12-team conference in the Commissioner's Cup standings.

Men's basketball, plagued by hard-luck losses and a manpower shortage, finished 3-13 in the conference, 6-24 overall. As has been chronicled so often since, the Explorers' schedule was rated 16th in the RPI ratings, and the season was marked by numerous close setbacks, three buzzer-

beater losses and other disheartening events.

The highlight was a 92-83 upset of George Washington just as the Colonials were trying to break into the Top 25. La Salle did it despite the absence of regular point guard Shawn Smith and because of the play of his replacement, seldom used Steve Fromal.

The junior reserve played all 40 minutes, scored 17 points, had nine assists and comm-

itted only one turnover.

In games with Massachusetts and Texas Tech, both of whom entered the NCAA Tournament with but one loss, La Salle held double-figure leads into the second half, only to fall before the deeper opponents.

Through it all, the performance of captain Romaine Haywood excelled. When the Atlantic City High product played his last game at La Salle, he had attained a senior-season average of 18.1 points, 7.2 rebounds and 37 minutes per game, playing in all 30 games.

Mike Gizzi, Smith, Everett Catlin and Olof Landgren, the other four starters, each had occasional highlight performances, but not on a consistent basis. Such consistency will be needed as La Salle continues into its 67th season overall and its second in the Atlantic 10.

Stronger than ever, the Atlantic 10 Conference continues to gain in stature while maintaining its commitment to enhancing the academic and athletic integrity of its student-athletes.

The foundation of the Atlantic 10's ascension to national prominence is solidified with an unwavering dedication to providing a broad-based, competitive athletic environment without sacrificing the high ideals of scholarship and sportsmanship. The University of Dayton, Duquesne University, Fordham University, The George Washington University, La Salle University, University of Massachusetts, University of Rhode Island, St. Bonaventure University, St. Joseph's University, Temple University, Virginia Tech, and Xavier University offer a rich blend of proud academic and athletic traditions to form an impressive athletic alliance.

"The Atlantic 10 continues to prosper through our members' firm commitment to their student-athletes and to the future of the Conference," says commissioner Linda Bruno, who, in just two years with the Atlantic 10 has helped guide the Conference to prestige unparalleled in league history. "Each of our programs is dedicated to achieving the proper balance of excellence in both the classroom and on the playing field. The Atlantic 10 is proud of the accomplishments of our student-athletes but will continue to strive for even greater success."

An example of the success the Atlantic 10 has enjoyed occurred this past winter when Massachusetts and St. Joseph's reached the Final Four of the NCAA Men's Basketball Tournament and the National Invitation Tournament, respectively. Ranked No. 1 longer than any other team in the nation last season, UMass became the first Atlantic 10 school to reach the Final Four, while St. Joseph's also made Atlantic 10 history in becoming the first

league school to play for a national basketball title.

On June 14, 1994, Bruno was officially introduced as the Atlantic 10's fourth commissioner. In her short tenure as commissioner, Bruno has strengthened the Atlantic 10's membership with the additions of Dayton, Fordham, La Salle and Virginia Tech, thus assuring the Conference's future. Bruno also negotiated a six-year television deal with ESPN/Creative Sports - the most lucrative and broad-based package in league history - which translates into the greatest amount of exposure ever for the Atlantic 10's athletic programs.

She relocated the league office to Philadelphia, placing it in the center of the Atlantic 10's geographic footprint, and, under her leadership, the Atlantic 10 has increased its championship schedule to 21 sports with the additions of women's rowing and men's and women's outdoor track & field. In addition in an effort to recognize the athletic and academic achievements of all student-athletes, Bruno instituted the Commissioner's Honor Roll last year, citing every Atlantic 10 student-athlete with 3.0 gpa or better.

Massachusetts became only the second team in NCAA history to win five-

consecutive regular season and tournament titles en route to setting an Atlantic 10 record for wins in a season with its 35-2 record and advancing to the NCAA Final Four. Joining the Minutemen in the NCAA Tournament were Temple and Virginia Tech — each advancing to the second round — as well as George Washington.

St. Joseph's went to the final of the National Invitation Tournament, while Rhode Island reached the quarterfinals round, only to lose to the Hawks in an Atlantic 10 showdown. With six teams earning postseason bids, 1995-96 marked the sixth year in a row the Atlantic

10 has sent at least five teams to postseason play and increased to 76 the number of men's basketball teams which have received postseason berths since the league was founded in 1976-77.

At season's end, Marcus Camby of Massachusetts earned the John Wooden Award and the Boost/Naismith Award as the nation's most outstanding player, as well as being honored by the Associated Press, National Association of Basketball Coaches, RCA/United States Basketball Writers Association, The Sporting News, Basketball Weekly, CBS/Chevrolet, and Basketball Times. Camby thus became the first-ever player in league history to earn national Player of the Year honors. John Calipari was named Coach-of-the-Year by Boost/Naismith, becoming the second coach in Atlantic 10 history to be so honored.

The Atlantic 10 Conference will crown champions in 21 sports this season: baseball, men's and women's basketball, men's and women's cross country, field hockey, men's golf, women's gymnastics, men's and women's indoor and outdoor track & field, women's rowing, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's tennis and women's volleyball.

# 67 Years of Excellence

Did you know that, in its 67 official seasons of intercollegiate basketball:

- 19 La Salle players have made it to the National Basketball Association, including first-round draft picks in Tom Gola, Lionel Simmons, Randy Woods, Ken Durrett, Larry Cannon, Michael Brooks and Joe Bryant?

- Three of those were named the NCAA Division I National Player of the Year — Gola in 1954, Brooks in 1980 and Simmons in 1990? Lionel Simmons is the third leading all-time Division I scorer with 3,217 points, and is one of four Explorers to surpass 2,000 points and one of 34 to go over 1,000?

- Eleven of those players have reached 1,000 in the last 10 years?

- When the 1995-96 season opened, there were four Explorers in the NBA — Simmons, Overton, Woods and Tim Legler — all of whom received their degrees from La Salle within four years?

- There are at least 10 others playing professionally in the United States, Europe and Japan?

- Including an NCAA championship in 1954 and a National Invitation Tournament title in 1952, La Salle has made 22 postseason appearances, 11 in the NCAA and 11 in the NIT?

- In 1987, the Explorers advanced to the championship game of the NIT in New York's Madison Square Garden?

- La Salle is one of only 15 teams which have won both postseason tournaments?

- In coach "Speedy" Morris' 10 years, La Salle has won eight in-season tournaments, while playing in such locales as Hawaii (twice), Japan, New Orleans, Texas, California, Arizona and San Juan, Puerto Rico?

- When La Salle won its 1,000th game in 1992, it became the team with the fewest

number of seasons (62) to reach that total?

- In coach Morris' 10 years, La Salle has been in six postseason tournaments (four NCAA, two NIT) and, in 1989-90, posted the school's all-time best record, 29-1 in regular season play and 1-1 in the NCAA Tournament? Its 30-2 overall record was the best in the NCAA Division I? Its 22-game winning streak is the school's best ever?

- In 1995-96, while playing in the Atlantic 10 Conference, the Explorers appeared on national and local TV a total of 12 times?

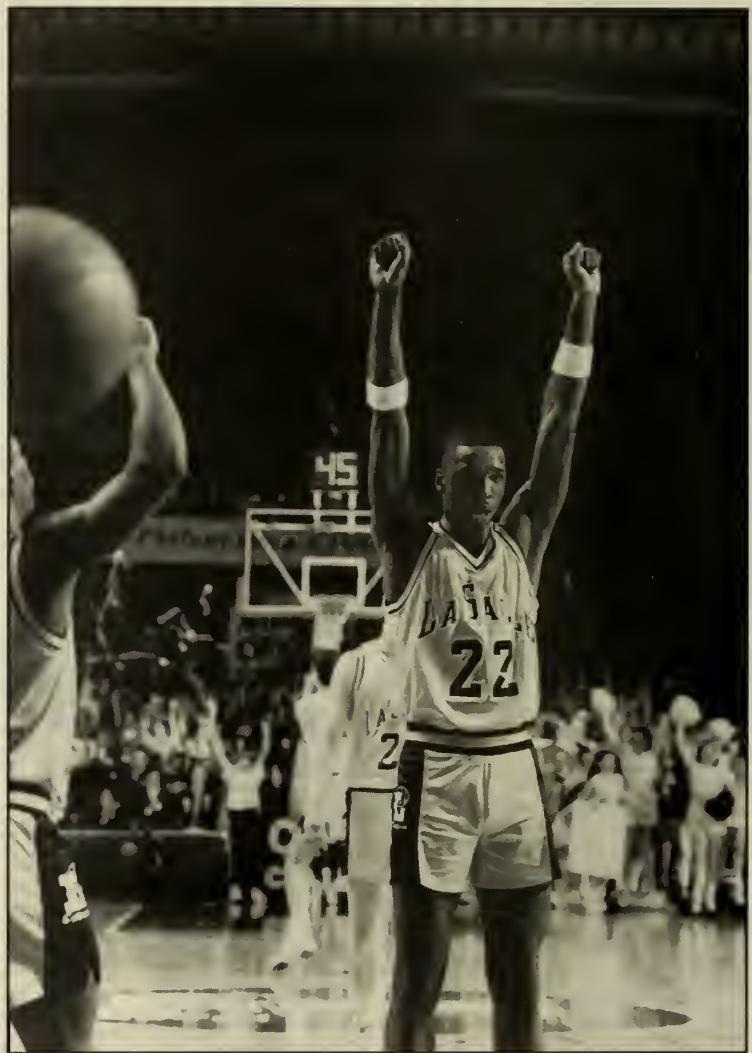

- And if you check out all the major conferences, La Salle has played teams from all of them and has at least one victory over a team in every major conference?

- During the past 10 seasons under "Speedy" Morris, the La Salle Explorers men's teams have:

- 1) graduated 27 of the 27 seniors in the basketball program;

- 2) had two first-team Academic All-Americans (Tim Legler, '88; Jack Hurd, '92);

- 3) been to six postseason tourneys; four NCAA, two NIT, including the National Invitation

Tournament championship game in 1987; 4) had four players in the NBA (all of whom graduated in four years) — Tim Legler '88, Lionel Simmons '90, Doug Overton '91, and Randy Woods '92;

5) have won 19 championships, eight regular season tourney titles; four first-place league titles, four league postseason championships and three Philadelphia Big 5 titles;

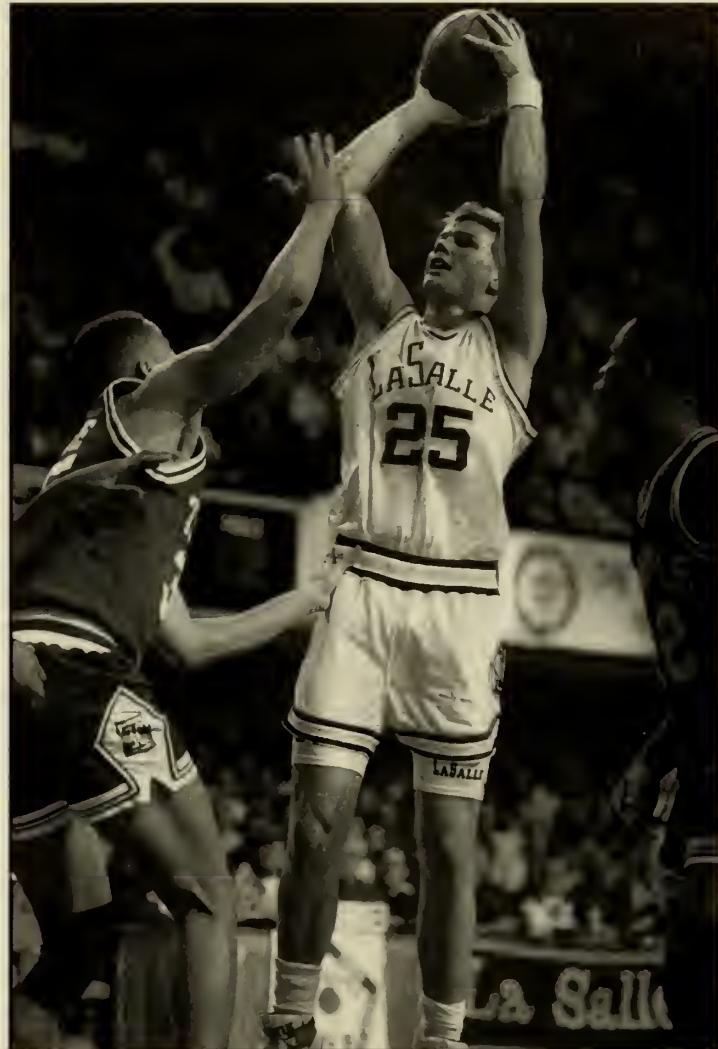

6) have compiled a postseason record of 18 victories and 11 losses;

A three-time collegiate All-American, Gola played in the NBA with the Philadelphia and San Francisco Warriors and New York Knicks and was named All-Pro five times. EXPLORERS WRAP UP GAME WITH 30-POINT 3RD PERIOD; 2 SCORING MARKS BROKEN

By Bob Vetrone

Of The Bulletin Sports Staff

Kansas City, Mo., March 20 — La Salle College, playing by far its greatest game of a long and successful season, roared to a 92-76 victory over Bradley tonight to bring Philadelphia its first NCAA basketball championship.

The Explorers, receiving sparkling performance from about a half dozen of its players, used a devastating 30-point third quarter to reach the highest pinnacle any local team has approached. Tom Gola, Charley Singley, Frank Blatcher, Fran O'Malley, Frank O'Hara — all took important parts in the triumph, which was turned into a runaway by that prolific third quarter.

In rolling to its 92-point total, La Salle broke the record for points in a championship game. The combined pointage of 168 also set a new record for the tourney final.

# The 1952 NIT Champions

## GOLA, GREKIN MVPs AS LA SALLE TOPS DAYTON TO WIN NIT CHAMPIONSHIP

In the early days of post-season basketball tournaments - in the late 1930s through the middle '50s - the National Invitation Tournament was at least on a par with, and perhaps superior to, the still-emerging NCAA Tournament. So, when the La Salle Explorers romped through Seton Hall, St. John's, Duquesne and Dayton to capture the 1952 championship, it was a feat of national basketball importance.

La Salle, coached by future Hall of Famer Ken Loeffler, had entered the NIT

as an unseeded team and had to get by Seton Hall's powerful Pirates, led by seven-footer Walter Dukes and an exceptional guard in Richie Regan. But La Salle freshman Tom Gola and junior Fred Iehle hit for 30 and 25 points respectively, with Iehle pouring in 20 in the first half.

Gola had 19 rebounds and six assists and junior Norm Grekin grabbed 15 boards. In a game that was described as one of the best in the NIT's 14-year history, the margin was never more than four points, as a capacity crowd of 18,422 wildly cheered on both teams in New York's old Madison Square Garden.

In the quarter-finals, Grekin, playing his way toward a share of tournament

MVP honors with Gola, tallied 17 points and had 16 rebounds in a 51-45 victory over local favorite St. John's. And Grekin again played a big role in the 59-46 romp over the Silhugo Green-led

Duquesne Dukes, rated by many as the top team in the tournament. Grekin had 21 points and 10 rebounds, Gola contributed 14 rebounds and 10 points and sophomore Jackie Moore added 12 points and 11 rebounds.

Then came the championship game against a tall and talented Dayton Flyers team, and it was no contest. Led by Gola, Iehle and playmaking captain Bud Donnelly, the Explorers built a 38-30 half-time lead, then

wrapped up the title with a 37-34 second-half advantage. Grekin, Gola and Moore were named to the All-Tournament team, and the Olympic Trials were just ahead.

At that time, the Olympic squad was picked from team trials rather than individuals as is done today. In those Trials, La Salle again defeated St. John's, 71-62, but bowed to Clyde Lovellette and the Kansas Jayhawks, 70-65, and fell before the Phillips Oilers, an AAU powerhouse.

Between the NIT and the Olympic Trials, the team, the school and the City of Philadelphia received notice from all around the country. And coach Loeffler had this praise for the team in an article that appeared in the La Salle Collegian:

"This was a new team, a young team, like a child in fact. It first had to walk. As any child would, it fell a few times. It gradually learned to walk, then to run. Against Seton Hall, it found it could jump as well as run."

And Ken could have added: "All the way to a national championship."

# The University

# The University

La Salle University is a liberal arts institution which combines the best of all educational worlds. With more than 5,700 men and women attending classes, the University offers a pleasant environment within close proximity to Philadelphia's cultural, social and historic centers.

Founded by the Christian Brothers in 1863, La Salle is named for St. John Baptist de La Salle, the patron saint of teaching. The institution, which began as a one building academy in center city Philadelphia, is now on a 100-acre campus in Philadelphia's Germantown section.

The La Salle day and evening faculty numbers some 400, and the University offers nearly 50 programs of study. With a student-faculty ratio of 14-1 and an average class size of 20, students can be assured of as much personal guidance as needed from faculty members. This commitment to the individual has always been a major tenet of the Christian Brothers' approach to education.

La Salle's curriculum requires the completion of 120 credits, but allows wide flexibility in choosing courses. A limited number of requirements in English composition, literature, philosophy and religion provide greater opportunity for depth outside the student's major field. The number of courses required by a department of its major never exceeds seventeen, leaving eight to ten courses as free electives that may be used to build a strong minor/dual major or to diversify one's background.

Various independent study programs provide the students with greater options. A thriving nationally-recognized Honors Program is available for gifted students. "La Salle in Europe" offers students the opportunity to spend their sophomore or junior year at the University of Fribourg, in Switzerland, while receiving full academic credit at La Salle. Programs are also available for a semester or a year of study in Spain.

Among the major buildings on campus are: the Connelly Library; the Roland Holroyd Science Center with facilities for study and research in Biochemistry,

Biology, Chemistry, Environmental Science, Geology, and Psychology; the Olney Hall classroom building, and the College Union which houses offices for most student activities and clubs and is the main meeting place on campus.

The athletic department is housed in Hayman Hall. The facility includes the 1,700-seat Joseph Kirk Natatorium, three

regulation-sized basketball courts, a twelve laps/mile suspended running track, weight training and exercise areas, a sauna, squash courts and a medical training area.

La Salle students come from 33 states and 18 countries. The university houses

more than 1,600 resident students in twelve residence halls and three apartment complexes. More than 75 percent of the student body plan graduate or professional work in their fields, with more than 1,200 degrees conferred annually.

La Salle undergraduates have been awarded 50 Fulbright grants since 1970, one of the highest number presented to an institution in the Mid-Atlantic region. According to a recent survey, La Salle ranked in the top four percent nationally among private undergraduate institutions originating Ph.D.'s (33rd out of 877 colleges and universities).

Recently, La Salle has enjoyed increasing national attention, including:

\* *U.S. News & World Report* named La Salle one of the country's leading regional universities in the 1993, 1994, 1995, and 1996 editions of "America's Best Colleges."

\* *The New York Times*, *Money* magazine, and *Barron's* all selected La Salle to appear in their guides to the "best buys in college education."

\* The influential Long Island newspaper, *Newsday*, referred to La Salle as a, "university on the rise", in an article entitled "Where the Hot Schools Are."

\* *Standard & Poor's* ranked La Salle tenth among the nation's liberal arts colleges in the number of graduates who are top corporate leaders.

\* La Salle was selected to appear in *Peterson's Competitive Colleges*, a profile of the schools that consistently accept the nation's best students.

\* La Salle had the nation's fifth highest graduation rate (94 percent) among Division I schools (approximately 300) for students on athletic scholarships who entered in 1987-88. In last year's survey, La Salle tied for sixth place, also with 94 percent.

\* Each year, over 90 percent of all students recommended by the University have been offered entry into medical schools.

\* Each year, recruiters representing nearly 200 companies and organizations visit La Salle's campus to conduct job interviews with graduating seniors.

# Robert Mullen

Under Robert Mullen, Director of Athletics, La Salle University has achieved national recognition in both athletic and education areas. The Explorers' men's basket-

ball program made six consecutive post-season tournament appearances and the women's team earned berths in the 1987-88 and 1988-89 NCAA Tournament, and the 1992 Women's NIT. The graduation rate of La Salle student-athletes ranked fifth in 1994 and sixth in 1993 of all NCAA Division I institutions.

Mullen has moved La Salle into one of the top conferences in the NCAA with its acceptance into the Atlantic 10 and, under his guidance, the university has taken a leadership role among NCAA Division I

universities in the area of gender equity.

La Salle University has made many improvements in facilities and within its athletic structure, with Mullen acting as the catalyst for these changes.

Mullen has served on the NCAA Nomination Committee, is a past President of the Metro Atlantic Athletic Conference (MAAC) and Chairman of the Philadelphia Big 5. Prior to joining the La Salle staff, he was Director of Athletics at the University of Southern Colorado and Loras College. Mullen has been the President of the NAIA Athletic Directors Association and was the College Representative to the Executive Council of the National Association of College Athletic Directors (NACDA).
